Summary

Master's in International Affairs student with interests in evidence-based international affairs, political economy, and economic development. My mission is to be a boundary spanner who translates research into informed decisions.

Research Experience

Research Assistant, AidData Global Research Institute, William & Mary — Virginia, USA Apr–Jun 2025

- Cleaned and organized multi-source datasets; linked tables to narrative findings for Indonesia investment report (co-author).
- Located, downloaded, and versioned governance/policy documents; extracted and cited relevant passages for team briefs.
- Contributed to section synopses and maintained bibliography entries.
- *Publication: Balancing Risk and Reward: Who Benefits from China's Investments in Indonesia?* (2025).

Authorship, VIID Conference Paper — Singapore Jun–Dec 2025

- Built a case-level event-timing dataset (consultations → panel → report) from WTO dockets; coded venue/enforcement; integrated literature review.
- Analysis primarily in Python; basic R foundation from methods coursework.

Research Assistant, Semar Sentinel — Singapore Mar–Apr 2021

- Monitored open sources for real-time insights on Indonesia's socio-political situations; delivered situation reports, risk assessments, and alerts.
- Compiled institutional profiles to assess policy impacts on business opportunities and market entry.
