EDUCATION

National University of Singapore (NUS)

Master's in International Affairs, Lee Kuan Yew School of Public Policy - GPA 4.19/5.00

Singapore

Jul 2026

- Specialisation in International Economics and Development
- Thesis: *Does the Label Matter? Explaining When Chinese Development Finance and FDI Blur in Indonesian Elite Narratives.*
- Combined project-level mapping, media-framing analysis covering 2013–2024, and semi-structured elite interviews to examine how Indonesian policy actors interpret foreign-financed development.

University of St. Gallen (HSG)

Guest Student, School of Economics and Political Science - GPA 5.00/6.00

St. Gallen, Switzerland

Jan 2026

Universitas Muhammadiyah Yogyakarta (UMY)

B.A. Political Science (International Relations), Honours - GPA 3.88/4.00

Yogyakarta, Indonesia

2022

Additional Study: University of Glasgow, UK, Visiting Student, School of Social and Political Sciences (2021); **Asia University, Taiwan**,

Exchange Student, College of Humanities and Social Sciences (2020–2021).

PROFESSIONAL EXPERIENCE

Lentera Hijau Indonesia × Eco Bhinneka Muhammadiyah

Indonesia

Analyst, Energy Transition & Industry

Sep 2026 - Present

- Develop grant-funded initiatives on community renewable energy, sustainable finance, and energy transition, contributing to project conceptualization and funding strategy.
- Identify and assess funding opportunities, contribute to grant proposals, and support research and project design across energy transition, community development, and innovative financing.

Civic Resilience Laboratory, National University of Singapore

Singapore

Research Assistant

Mar - Jul 2026

- Reviewed more than 100 academic and policy sources, mapped over 40 government, academic, industry, and civil-society organisations, and contributed to eight research and policy outputs on AI, climate resilience, and urban sustainability in Southeast Asia.
- Developed structured literature reviews and annotated bibliographies and supported qualitative research design, ethics documentation, research-data organisation, evidence synthesis, and workshop planning.
- Translated interdisciplinary evidence into policy-oriented materials for a community-focused toolkit supporting climate-resilient Southeast Asian cities.

Lee Kuan Yew School of Public Policy, National University of Singapore

Singapore

Graduate Teaching Assistant

Jan - May 2026

- Supported *Behavioural Economics for Public Policy* and *Introduction to Python for Public Policy* through seminars, assessment, learning materials, and student communication.
- Helped students interpret policy evidence and use quantitative and computational approaches in applied public-policy work.

University of St. Gallen (HSG)

St. Gallen, Switzerland

Graduate Consultant, IMF Program Design for Senegal

Sept - Dec 2025

- Co-developed an IMF-style macroeconomic adjustment programme for Senegal, covering crisis diagnosis, fiscal and debt sustainability, external financing, policy sequencing, and conditionality.
- Presented the recommendations to an IMF economist and the IMF mission chief for Senegal.

AidData Global Research Institute, William & Mary

Virginia, USA

Research Assistant

Apr - Jun 2025

- Cleaned and integrated multi-source project records using the Global Chinese Development Finance Dataset v3.0 and verified documentary evidence concerning financiers, implementers, recipients, and other institutional actors.
- Supported policy-facing analysis and co-authored [Balancing Risk and Reward: Who Benefits from China's Investments in Indonesia?](#), a major policy report on the distribution and governance of Chinese-financed projects in Indonesia.
- Maintained careful distinctions between confirmed evidence, conflicting source accounts, and unresolved data gaps.

PT IDP Consulting

Yogyakarta, Indonesia

Consultant

Oct 2022 - Jul 2024

Last updated: Sep 2026

- Managed stakeholder relationships, schedules, briefings, CRM records, and follow-up communication across a student-placement pipeline involving British and Irish university partners.
- Coordinated more than 20 events, 30 training sessions, four international expos, and a mini-fair involving 96 UK and 12 Irish universities.
- Achieved 110% of sales targets across two financial years while supporting institutional engagement and time-sensitive project delivery.

Universitas Muhammadiyah Yogyakarta, ipirel.umy.ac.id

Yogyakarta, Indonesia

Website Manager and Lead Content Writer

Jan 2020 - Dec 2022

- Produced and edited more than 200 reports, news releases, opinion pieces, and fact sheets for institutional and public audiences.
- Coordinated an international virtual summer school comprising more than 20 classes and supported over 10 visiting lecturers through partner liaison, scheduling, materials preparation, meeting coordination, and reporting.
- Managed publication workflows and translated academic and policy discussions into accessible public-facing communication.

SELECTED PROJECTS

Paper to Power: Southeast Asia Renewable Energy Map - Repository

- Built a public-facing geospatial platform tracking 52 utility-scale renewable-energy projects across 10 Southeast Asian markets.
- Developed Python data workflows to compare announced project claims with observed construction and operational evidence.

Peta Banjir Indonesia / Flood Explorer Indonesia - Repository

- Built a free, open-source platform combining approximately 26 years of historical flood records with Indonesian administrative data; featured by [Harian Kompas](#) and NUS's [Inspired for Regional Impact](#).

SELECTED PUBLICATION

- “China–Indonesia Investment Needs More Than Open Dialogue.” Invited commentary on regulatory predictability, enforcement, and dispute resolution in bilateral investment. Forthcoming on *East Asia Forum*.
- “Trade Pressure, Green Regulation, and the Politics of Legitimacy: Evidence from Foreign-Financed Development in Indonesia.” Presented at the Green Trade Lab, University of Basel, Switzerland, June 2026.
- “Reindustrializing Indonesia: Lessons from China, the Capital-Intensity Paradox, and Labour-Market Realities.” *The Indonesian Quarterly* by CSIS Indonesia, 2025.
- “The Economics of Dignity: When Care Becomes Capital.” Developed the Care Sovereignty Protocol, proposing portable pension credits for unpaid caregivers; awarded Second Place in the 2026 St. Gallen Global Essay Competition.
- “Singapore’s Care Paradox: First-World Economy, Third-World Care Labor.” Published by NUS’s *Global-is-Asian*; awarded Third Place in the 2026 Bridging Gender and Policy Op-Ed Competition.
- “Rooftop Solar Policy and Metropolitan Governance: The Role of Paradiplomacy in Five Southeast Asian Cities.” *Journal of Paradiplomacy and City Networks*, 5(1), 57–71, 2026.
- “Shrinking Space for WTO Dispute Settlement: Geopolitics, Forum Shopping, and Lessons for Developing Economies.” Presented at the VIID Conference by ACI and Foreign Trade University, NUS Bukit Timah, Singapore, December 2025.
